Welcome from the Festival Chair

It is my pleasure to welcome everybody - stage managers, producers, set designers, sound and light techs, actors, directors, authors and theatre lovers - to the Studio Theatre in heritage Perth. This is the 5th EODL One-Act Play Festival that Studio Theatre has had the honour of hosting since our first in 2009. We've been active participants in this festival ever since.

This year's Festival is a celebration of over 200 years of theatre in Perth. We love our Heritage, one of Perth's most prominent features and it's prime focus. Perth's motto is *Heritage and Heart*, and we have plenty of both. As you wander the streets, shop in the stores, dine in the restaurants, you will notice the heritage but you will see the modern too, emphasizing that we do not just live in the past, but look forward to the future.

I would like to thank the members of the Festival Committee and all the other volunteers who have worked very hard to make this year's Festival a great success. I do hope you find lots to like in the diversity of plays in this year's playbill. Welcome and enjoy!

Penny Silberhorn,

Festival Chair

Welcome From EODL

Welcome to Perth - the seat of Lanark County! Established as a military settlement in 1816, Perth is only 117 years older than the Eastern Ontario Drama League itself who, since 1933, has worked towards "*fostering interest and development in the performing arts*".

May I take this opportunity to thank Chairperson Penny Silberhorn and her dedicated team of Festival Committee members who have been working diligently over the past year to put this festival together. EODL thoroughly enjoys spending time in Perth! Studio Theatre Perth has hosted our One Act Festival very successfully in the past and we are looking forward to another enjoyable weekend of entertainment. What a fabulous opportunity this is – nine plays to enjoy over a two-day period! We hope you intend to spend the weekend with us!

Thank you also to the EODL Festival Liaison Mr. Grant Coward. Grant's attention to detail and his warm and welcoming manner have made our preparations for this weekend enjoyable and worry-free.

Welcome to our Adjudicator, Mr. John P. Kelly! John ... JP ... Sean, we thank you for sharing your time and talents with your Eastern Ontario family.

As I researched Perth's history, I learned that the settlement's original motto was "*Festina lente sed certo – Make haste slowly but surely*". Let us now "*Make haste*" ... certainly not "*slowly*", but more certainly "*surely*" as we enjoy what most definitely will be an amazing weekend of "*fostering our interest and development in the performing arts*" as we learn, grow and meet new kindred spirits.

Lisa Leroux,

President, EODL

Our Adjudicator John P. Kelly

This year marks John P's twentieth in Canada. He will never forget his first ever One Act Festival; it was for EODL - in Peterborough. So much time has passed so quickly. But why has it taken so long to be invited back? "Where did I go wrong?" we hear him cry!

Relax, John is of course joking, as those who know him well will say is his wont.

In between, he twice adjudicated EODL's travelling Full Length Festival, not to mention officiating at Theatre Ontario Finals when hosted by Domino Theatre in Kingston - one of the three times John adjudicated the All Ontario festival.

Occasionally John is invited to his native Ireland for festival and direction work. Before arriving to his new Canadian home, he directed professionally all over his native Ireland and trained with the famous Abbey Theatre in Dublin.

John resides in Ottawa where he continues to direct with his professional theatre company. God knows how long that will last (*he groans*) as he is feeling age creeping up fast ...but his hair is still as dark as ever. Is it 55 years since he directed his first play? *Gulp* - it is. It's only 40 since he adjudicated his first festival.

As you can tell from this, John is not a very 'formal' guy. He answers to Seàn, John and JP and he is addicted to emails.

Guess who's playing
King Lear!!

Festival Information

Cameras, video cameras and sound recording devices are not allowed in the theatre. **Please turn off cell phones and any other devices that may disrupt the performance.**

An asterisk next to a name in this program denotes a student or first-time director eligible for an award or an ACTRA member.

There will be a 15 minute intermission between plays. The wine bar and snack bar will be open 1 hour before each session and during intermissions. The upstairs wine bar will remain open until the beginning of the Adjudication. There are light refreshments on the bar, primarily for the casts and crews of the session, but if there is extra food, please help yourself.

The public adjudications will be held following the last play of each session. Everyone is invited to listen, though comments are not allowed. Please note the location of the adjudications:

- The adjudications for both evening performances will take place in the theatre.
- The detailed adjudications for the Saturday afternoon plays will take place at the Perth Restaurant, 23 Gore Street W. Turn left as you exit the theatre, right on Gore Street, cross the bridge, cross Herriot Street, and The Perth Restaurant is in the middle of the block. You could order dinner there too.

If you've seen all 9 plays, please fill out a **People's Choice Award** ballot that came in your ticket package and drop them in the boxes provided before you leave the theatre after the final session.

The Awards Brunch will be held Sunday, November 3rd at the Crystal Palace, located adjacent to the rear parking lot of the theatre. Doors open at 10 am; brunch will be served at 11 am.

Please Note: We have made every effort to make this program accurate and consistent with the information we were given. We apologize for any errors or omissions.
