

The rumours are true: Studio Theatre is presenting Camera Obscura, by local playwright Emmet L.F. Cameron, developed with Kitchen Theatre Project! The show will be directed by Chris Angel, & it will be the first play of Studio Theatre's 2027 season, running January 28-February 7.

This is your chance to be part of a world premiere production of a homegrown Lanark County play about exes, eclipses, & the lies we tell ourselves.

Auditions will be held at the Studio Theatre (63 Gore St E) on August 24 6:20-9pm & August 30 5:30-9pm. Register to audition at this link: <https://volunteersignup.org/9X9J3> Audition materials will be sent to all who register.

We are seeking 4 strong actors for the following roles:

DAVY – 30s, any pronouns. A genderqueer lesbian, raised female in a conservative evangelical context, now many years removed from that life.

RACHEL – 30s, she/her. Davy's girlfriend. Proud queer, closet basic millennial femme.

NATE – 30s, he/him. Primarily attracted to men, freshly married to a woman who doesn't know that.

BEATA – 30s, she/her. Nate's new bride. A wise woman in an unwise situation.

Whether you've been in dozens of shows or are curious about trying it out for the very first time, we want to see what you've got! Break a leg!
